

Good morning, Church. Matthew 3.

1 Peter 5:6-7 "Humble yourselves, therefore, under the mighty hand of God so that at the proper time he may exalt you, casting all your anxieties on him, because he cares for you."
(ESV)

It is one thing to humble ourselves before God and another thing to be humbled by God. Have you ever had all things ready to go, only to have a hick-up in the plans. You have a great meal planned out, but you forgot to check the main ingredient and have to run to the store real quick. You are ready for a video presentation, and the power goes out. You are ready to go live with a worship service, and the operating system you use to live stream decides to do an update, and all your techs are stumped.

Well, the last affected our ability to broadcast our service yesterday. There's not much you can do at certain times, except give it to God and ask Him for help. All you can do at times is cast all your troubles, woes, and concerns at the feet of Jesus and allow Him to carry you through the situation.

If you tuned in yesterday and only saw a bunch of great looking people but heard no sound, you were not alone. Sorry, because Pastor Jeremy did a great job, challenging us to share our faith and then giving some good practical advice.

When it comes to sharing your faith: 1. Pick 3 people to focus on. 2. Pray for those people daily. Pray for their hearts to be open to the word and pray for opportunities to share Jesus with them. 3. Participate in their lives so God will give you opportunities to share the love and message of salvation.

Many times, we don't share our faith because we don't focus on nonbelievers. Trust me, nonbelievers are all around you. Just pick 3 to pray for and about and be ready to share time with them, and God will give you the words and the boldness to share your story about Jesus.

Way to go, tech team, who trusted God, gave Him their stress and fixed the problem after church, and will be ready for next Sunday.
