

Good morning, Church. Daily Reading, Proverbs 18.

Philippians 4:19 "And my God will supply every need of yours according to his riches in glory in Christ Jesus." (ESV)

Next praise. This is from my friend Dr. Doug B.

After getting off drugs back in 1999, I was hired as an apprentice for an underground electrical company in Bakerfield after going through different jobs. I had very few tools, but the ones I did have were wearing out. My drill was shot, and I needed a new one. I saw a great DeWalt Combo Kit at the hardware store for \$500.

I had recently received Jesus in my heart and was learning to trust Him to meet my needs. So, with no money and only a prayer, I asked my boss to join me in praying for my need, asking God to provide.

After the prayer and loading my truck with material, I left the shop for my first job that day. I approached a large intersection, and in the middle of the intersection, there was a large carrying case. A DeWalt Combo Kit. Just like the one I saw at the store. I got out and loaded it and some other things in my truck. I couldn't wait to tell my boss. When I saw him later, he could not believe what I had found.

My boss told me to be a man of integrity, I should post signs at all four corners of the intersection with my contact info, asking people to identify the lost items. Since character was becoming more important to me, I posted the signs as mentioned. After 9 days of no one contacting me, I thanked Jesus, knowing He had answered our prayers.

God does provide. Praise the Lord.
