

Second stop, Juneau.

Good morning, Church. Daily Reading, John 17.

If you are not doing the Daily Reading, please, at least, read John 17. To me, this is Jesus's prayer for His own at the time He was here on earth, and even for all time. Read it, please.

Romans 8:28 "And we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose."

Do you ever stop and wonder if God orchestrates things not just for your good but that you might be a blessing to someone else? In other words. "Right place at the right time."

At Sitka, we had to take a shuttle 6 miles into town. After getting off the shuttle, Donna wanted to find a bathroom. After going inside the shuttle stop, I was standing at the table, getting a map of the area. This is when I heard two workers say someone had left their driver's license and ship boarding pass. I'm thinking, "Not good."

Well, after picking up some items at a store, we decided it was cold and rainy and so we got back on a shuttle and headed to the ship.

After doing some more shopping by the ship, we walked over to board the ship.

Who do you think was talking to one of the ship's personnel? You are right, the lady who lost her license. I saw her info at the stop and recognized it was her. I asked if she was from California (from the driver's license I saw) and told her where she should be able to pick up her documents.

Right place at the right time.

Then, just a short time later, Donna had lost her pen to her phone and mentioned she was going to look for it. As she walked away, one of the cruise personnel asked if she lost a pen? Guess what she just found? Right again. Donna's phone stylist.

Right place at the right time? Or God working all things for our good and so we can bless others.
